COSMESTON LAKES Country Park & MEDIEVAL VILLAGE

Further into the park the 20ha broadleaved woodland offers a peaceful haven for the many woodland animals who live there.

A grassland area which is teeming with plants and insect life to observe on your nature walk

An idyllic man made island which offers protection to many species of nesting birds, including the Mute Swan and Great Crested Grebe.

This unique area within the park has been left for nature to take its course, rare flowers such as the Bee ORchid abound here.

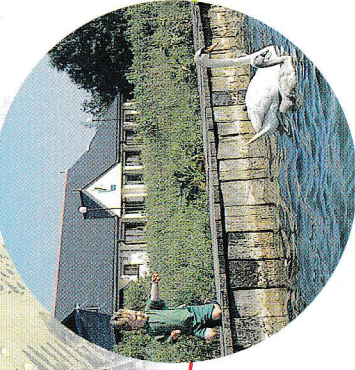

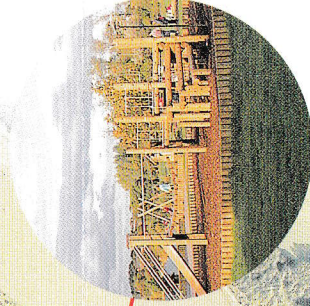

Areas set aside for you and your family to enjoy a BBQ or picnic.

The reconstructed Medieval Village of Cosmeston set in 1320. Costumed characters allow you to view life as it was over 650 years ago.

The Adventure Playground welcome break for all the family

Once you've had a pleasant walk around the Park, and enjoyed a unique experience at the Medieval Village why not round off your visit with a coffee or lunch at the visitor centre.

Take a pleasant walk along the boardwalk and stroll through an area of extreme natural beauty. Enjoy the rare wild flowers and insect life that's all around you.
